VOTED 22 TIMES ALL IN ONE DAY

Fraud Case Causes Laugh in Court

(By Associated Press.)

INDIANAPOLIS, Ind., March 20 .-INDIANAPOLIS, Ind., March 20.—
A record for voting of 22 times in one day was claimed by Fred Pisner, who testified today in the trial of the Terre Haute election case. Eisner told of his work on November 3, 1914, with a smile and caused a laugh, which was joined in by Judge Anderson, after the had had the witness repeat the another. Eisner said he confined his operations to three precincts and number. Eisner said he confined his operations to three precincts and with one exception, received a dollar for each time he voted. He said he was cheated out of the other dollar as the paymaster said I had made enough money already." Eisner was challenged only once during the day, but the children out of the widow because the children out of the widow because the children only of the widow because the children only of the widow because the children of the widow because the children of the widow because the was three of supporting them.
